The Wolseley Six-Ninety is traditionally luxurious and abreast of modern motoring's every need. A proud tradition is backed by great new features. It is elegantly impressive for formal occasions and has ample power for the open road. The interior is beautifully appointed; the gear-change lever is on the floor between the driver's seat and the door.

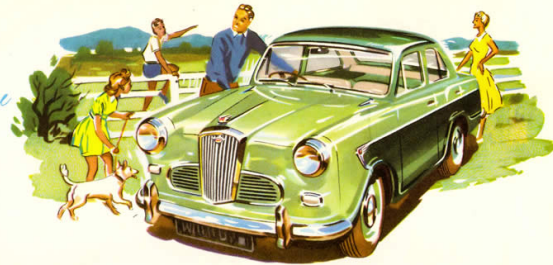

WOLSELEY FIFTEEN HUNDRED SALOON

The most sensational Wolseley ever

The Wolseley Fifteen Hundred is a compact car with a high performance.

The 1500 c.c. o.h.v. engine provides a high power-to-weight ratio giving overdrive performance on a normal though high top gear for tireless long distance motoring. True Wolseley craftsmanship provides the luxury of polished walnut and the comfort of genuine leather. It is built for to-day's motoring conditions.

Available with duo-tone finish as an optional extra.

WOLSELEY FIFTEEN-FIFTY SALOON

A 1½ litre car of unusually fine quality

Every detail of the Fifteen-Fifty reflects fine craftsmanship

in the best tradition of Wolseley. The design of this

luxurious model combines economy and ease-of-handling with

exceptional capacity and a sparkling performance. Wide

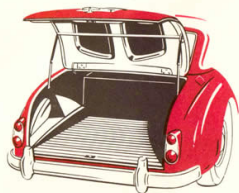

rear doors and adequate headroom allow easy access to the rear seats.

Safety features include the deep-sunk centre steering wheel and padded fascia rail.

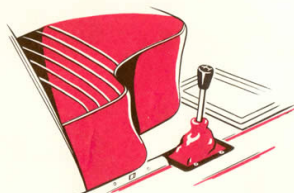

The hand brake is well placed for maximum leverage with ease of access. Both front seats are adjustable.

The trunk lid is counterbalanced for ease of opening. No need to disturb luggage when the spare wheel is required as it is mounted on a special carrier beneath the floor.

The Six-Ninety is not only dignified in styling but allows its passengers to get in and out with dignity too. Furnishings throughout are sumptuous.

Discriminating drivers praise this smooth-actioned gear lever placed between the driver's seat and the door. Overdrive or Automatic Transmission are available at extra cost.
